

MANTENO, ILLINOIS

NEW RESIDENT INFORMATION BOOKLET

Village of
Manteno

Printed May 2019

AT A GLANCE

The name Manteno was derived from the Indian Princess Mawteno (or Mon-te-no), daughter of Francois Bourbonnais, Jr. and Catish, his Indian wife.

The Village was incorporated in 1869. The single most important influence in the development of Manteno was the Illinois Central Railroad. From there, the US Postal Service arrived in 1870, telephone communication was added in 1883, and a Village Hall and water works building were constructed in 1895.

In the 1900's, Manteno's identity as a railroad and agricultural town was established. At that time, the Village boasted 932 inhabitants and by 1920, the population had reached 1,182.

Today, Manteno is home to over 9,000 residents featuring excellent schools, a public library system, close access to two award-winning hospitals, and has an exceptionally low crime rate. Our close proximity to Chicago and its suburbs along with the multiple modes of public transportation and access to higher education facilities all make Manteno one of the top communities in Kankakee County.

Message from Mayor Timothy O. Nugent

Welcome to the Village of Manteno, conveniently located just 50 miles south of Chicago and easily accessible via Interstate 57.

Manteno is truly small town mid America with access to all the big city benefits. We are a Village of over 9,000 residents who are proud of our community and the way of life that we have come to cherish. The people of Manteno have the advantages of rural America to raise their children, a great school district to educate them and a professionally run Village with Public Safety services second to none.

We enjoy all that a small town offers but have access to all of the amenities of a large metropolis like Chicago just minutes away. The community is served by public transportation and two hospitals nearby offer excellent health care services for our residents. The Village provides over 130 acres of parks for its residents complete with a walking path connecting the parks, splash pad, fountain, zip lines, and bounce pillow along with the standard football, baseball, basketball, soccer, and skating amenities. Manteno Lake and Manteno Sportsman Club is also a great summertime gathering place.

The Greater Manteno area is home to several major employers who have recently experienced an employment increase with companies both large and small expanding facilities and hiring new workers.

An ideal spot to grow up, raise a family or settle in for retirement, you won't find a more welcoming small town with activities to keep you busy and services to meet all your needs. Residents tell us that Manteno is easy to get to and difficult to leave.

Plan a stop in Manteno! You won't be disappointed!

Timothy O. Nugent

STAY INFORMED

 To get the latest information on road closures and many other events, follow the Manteno Police Department on Facebook.

AM Radio Notification

The Manteno Police Department operates an AM radio station for Community Notification and truck route information. The radio station is AM 530.

Tornado Sirens

The Village of Manteno currently has four outdoor tornado warning sirens that provide coverage for the Village. It is important to know that these sirens are outdoor warning sirens; they are not designed to warn people that are inside of structures. The tornado sirens are tested monthly on the first Tuesday of every month. If you do not hear a siren outside on the first Tuesday of the month, or if you have a question concerning the tornado sirens please call the Manteno Police Department at 815-929-4801.

Tornado Shelters

The St. Joseph Catholic Church (207 S. Main Street) and the Manteno Church of the Nazarene (698 N. Locust Street) have graciously offered their church basements to citizens seeking shelter from tornado alerts. Designated individuals will do their best to open the facilities upon activation of the village alarm system. There are no pets allowed.

Lightning Prediction System

The THOR GUARD prediction system is located at Heritage Park and Legacy Park and is in cooperation with the school district at the Manteno High School. The systems are designed to predict lightning in our local area BEFORE lightning strikes. An alarm horn will sound along with a strobe light to warn people that are in our parks, at school functions or in their backyards that conditions are favorable for lightning. There will also be an all-clear signal. Visit: <https://www.villageofmanteno.com/.../lightning-prediction-sys...> for more info!

Warming Center

The Village of Manteno offers the Leo Hassett Community Center (211 N. Main Street) as an emergency warming center. There are no pets allowed.

UTILITIES

Sewer & Garbage

Water and sewer services provided by Aqua. To set up an account or for more information, contact Aqua at: 877-897-2782.

Electric

The Village of Manteno participates in a Municipal Electrical Aggregation Program. Residents are allowed to choose who supplies their electricity. The Village has procured a contract with Dynegy Energy for a 31-month term ending September 2017 at a rate of 6.996 cents per kWh for the first year and then 6.772 cents for the remaining 19 months of the term. Residents may use this company or choose their own.

New residents are not automatically enrolled in this program.

To enroll, please check the Village website or call 815-929-4800 for options.

Natural gas

NiCor provides residents their natural gas service.

To set up an account, please contact NiCor at 888-642-6748.

THE MANTENO CHAMBER OF COMMERCE

Our Mission

The Manteno Chamber of Commerce is the premier organization representing Manteno's business community. Our mission is to work with local businesses, the community and the Village to bring prosperity to Manteno. The Chamber provides an opportunity for our members to generate business leads and make an impact on our community through sponsorships.

Events hosted by the Manteno Chamber:

Golf Outing

Holiday Party

Member Appreciation Dinner

Oktoberfest

Ribbon Cuttings

The Community Connections Fair

Women Supporting Women

LED Sign

To share a non-profit event or community news, email smarion@mantenchamber.com

Find a complete listing of our new members at www.mantenchamber.com

Want more information on joining the Chamber of Commerce? Visit our website: www.mantenchamber.com or email smarion@mantenchamber.com.

The Chamber office is located at 98 E. Third Street, Manteno (Inside Village Hall).

KEEPING OUR COMMUNITY CLEAN

Garbage

Household garbage is picked up weekly on your regularly scheduled pick up day. Each business within the village has received, at no extra cost, a 95-gallon garbage cart with lid and on wheels. Additional carts are also available for rent from A&J Disposal.

Garbage may also be placed in garbage bags or your own 35 gallon cans (up to 3 per week) as long as each weighs no more than 50 pounds each.

For more information on household garbage or to request an additional container, please contact A&J Disposal at 708-748-8381.

Recycling

Recyclables are picked up every other week on your regularly scheduled pickup day. Each business within the village has received, at no extra cost, a 65-gallon garbage cart with lid and on wheels. Additional carts are also available for rent from A&J Disposal.

This cart should be used for recyclables only; no garbage or yard waste.

Stickers with recycling pick up schedule are available at the Village Hall, local banks and Manteno Public Library.

If you do not have a container or would like to reserve an additional container, please contact A&J Disposal at 708-748-8381.

ACCEPTED ITEMS:

- Newspapers, magazines, envelopes, white/colored copy paper, wrapping paper, computer paper, glossy paper, file folders, telephone books, paper bags, cereal boxes, cake mix boxes, paperback books & cardboard
- Pop cans, soup cans, coffee cans, etc.
- Clear and colored glass containers
- Pop bottles, water bottles, cooking oil bottles, peanut butter jars (lids included), milk and juice jugs, margarine/butter tubs, yogurt cups, ketchup bottles, household cleaners, and coffee creamers

Please rinse out your items. Labels may be left on.

NOT ACCEPTED:

- Self-stick labels, gum/candy wrappers, tissue paper, waxed paper, paper cups, paper towels, shredded paper, used paper plates or pizza boxes.
- No fiber soiled with food waste.
- Styrofoam, packing peanuts, carry-out containers, CD/DVD cases, plastic silverware, film plastics (plastic bags, saran wrap, shrink wrap, bubble wrap), solo cups, prescription bottles, aerosol cans, aluminum foil, flat glass, light bulbs, flatware, ceramics or Pyrex

For additional recycling information, please visit:

<http://mydisposal.com/110files/uploads/2012/06/Recycle-Guidelines21.pdf>

E-Waste

Recycling of unused, unwanted computers, monitors, peripherals, and other electronic equipment is an important step in protecting the environmental quality of the Village of Manteno. Recycling electronics avoids potential air, water, and land pollution which can result from disposal in a landfill. The Village of Manteno is pleased to offer an opportunity for residents to recycle their E-Waste.

If you are a resident within the Village limits, you may call Village Hall at 815-929-4800 for a pickup. Public Works will do pickups on Mondays during regular work hours of 8am-4pm.

Community Clean Up Day

The Village of Manteno holds a clean up every spring. Please consider participating in this annual event to help with some community spring cleaning!

Brush Pick Up

Brush pick up takes place from the first full week in April until the last week of October. The town is divided into 2 routes. Both routes collect like your garbage pick-up; please make sure that brush is in the parkway for a Monday morning collection.

- The North route includes all homes north of Division Street. Brush pick up starts the first and third Mondays of the month.
- The South route includes all homes south of Division Street. Brush pick up starts the second and fourth Mondays of the month.

Things to consider

- No yard waste (leaves, grass clippings or weeds).
- Small trees and branches are to be brought to the curb.
- Do not use any ropes, strings or wire to bundle up the brush.
- Don't worry about cutting up branches as long as they can be handled by 2 workers and not any bigger than 14" in diameter.

Snow Removal

The Public Works Department has a set course of action for any possible winter storm. From a light snow response that requires salt applications to a multi-day/night event requiring a 24+ hour plowing operation, the goal is to create a safe driving experience in a timely and safe method.

Things to consider

- When clearing a private driveway or sidewalks, do not push or throw snow onto the street.
 - This creates unsafe driving conditions.
 - Snow will eventually end up either back on the private drive or in your neighbor's driveway.
- Follow village parking regulations to help with snow plowing.
 - Please park on the even address side of the street on even days.
 - Please park on the odd address side of the street on odd days.

For more information on parking restrictions during a snowfall, please see Village Codes, section 7-1-15.

Street Sweeping

The street sweeper runs every Friday. The same route is cleaned each week and consists of the downtown area (Main, Oak, First, Second and Third Streets), Rt. 50 and Division Street. Additional sections of town are cleaned based on a routine schedule or on the amount of debris that is in the curb (older parts of town with large trees demand more cleanings).

Things to consider

- Do not rake or blow leaves into the street from private yards or parkways
 - This will overwhelm the street sweeper and cause a backup in the machine.
 - Rake leaves and dispose of them using yard waste bags.
- Follow village parking regulations to help with street sweeping.
 - Please park on the even address side of the street on even days.
 - Please park on the odd address side of the street on odd days.

Yard waste

The Village's yard waste program begins the 1st Monday in April and ends the last Monday in November.

Please do not mix your yard waste or grass clippings with normal trash. You **MUST** separate yard waste and grass clippings into the appropriate yard waste bags. The stickers are needed if you use an unlabeled brown bag. You may purchase pre-labeled bags and stickers at the following locations:

- Whitmore Ace Hardware
 - o Pre-labeled bags \$2.70
 - o Sticker \$2.25
- Berkot's Super Foods
 - o Sticker \$2.25

For more information on refuse or to request a yard cart, please contact A&J Disposal at 708-748-8381.

For more information on any of the above services, please contact Village Hall at 85-929-4800.

Village Ordinance prohibits grass clippings from being blown into the streets. Fines will be enforced.

CODE ENFORCEMENT

The Village code for Manteno has been designed to serve and protect our residents. The following condensed ordinances represent those most often questioned or are of general interest.

Building Permits

A building permit is generally required for all home improvements projects including, but not limited to: concrete, sheds, swimming pools, electrical updates, installation of water heaters and furnaces and fences.

Commercial Signs

Temporary signage requires a permit, is time-limited and are not allowed to be placed in the right-of-way. Permanent signs, either new or replacement, require a permit and are allowed based on the requirements defined in Village ordinance 9-13-14 "Commercial Districts".

Garage sales

Garage sales are permitted. No license is required, but signage is not allowed in the public parkway (space between sidewalk & street) or on light poles.

Lawn maintenance

It shall be unlawful for an owner/occupant of real property to permit any weed, grass or plant, other than trees, bushes, flowers, or other ornamental plants, to grow to a height exceeding eight inches (8") anywhere in the village.

Pet allowance

No person shall keep a combined total of more than four (4) adult dogs, cats or other domestic animals or pets over six (6) months of age.

Solicitors/Peddlers

Solicitors and peddlers are required to obtain a permit. Issuance of a permit does not convey an endorsement of a product or service by the Village and residents may, at their discretion, ask the solicitor/peddler to leave their premises.

For more information, please contact the Building & Zoning Department at 815-929-4803.

THINGS TO DO

Is your family interested in relocating to be close to work? Want to see your business involved in community events? Manteno and Kankakee County are full of wonder! Come discover the interesting history and artifacts at the Manteno Historical Society. Walk through downtown Manteno and enjoy one of the many shops along Main Street or enjoy a night out during the Manteno Cruise Nights.

Spring, summer, fall or winter, there is truly an activity for everyone! Be sure to attend one of our many Movies in the Park at Legacy Park, listen to local musicians at our free summer concert series, Rockin' on The Square, or join us in September for the area's top festival—Manteno Oktoberfest. Hit the links at Manteno Golf Course & Learning Center—an 18-hole municipal course that will challenge even the most avid golfer. Enjoy local athletic events at Heritage or Legacy Parks—splash pad, hockey rink, tennis courts and walking path provide year round entertainment!

Cross country skiing, camping, canoeing, hiking, horseback riding and more are all available at the Kankakee River State Park only 10 minutes away! Both scuba and sky diving are only minutes away for the adventure seeker and if you are a fan of the arts, Kankakee Valley Theatre Association and Acting Out Theatre Co. both showcase some of Broadway's top numbers!

PARKS, PLAYGROUNDS & COMMUNITY CENTER

Manteno is home to a beautiful assortment of community parks that appeal to every age! Interested in hosting a private event at a park? The pavilions in Heritage Park, Eddie Reed Park and Belcher Park and gazebos in Legacy Park and South Main Street are available to be reserved. Rentals are open to residents of the Village or Manteno Township. Parks are available on a first come, first served basis.

For more information on park rentals, please visit us at villageofmanteno.com for availability and to reserve or contact Village Hall for assistance at 815-929-4800.

Memorial Park was the vision of Manteno Mayor Tim Nugent and Village Trustees as a place for residents to honor loved ones. The park was dedicated on August 28, 2013 in a formal ceremony including Manteno American Legion Color Guard and has truly transformed one of the main thoroughfares of Manteno. For information on how you can honor your family's milestone or pay tribute to a lost loved one, contact Village Hall at 815-929-4800.

Legacy Park is a sprawling 66-acre park catering to residents year round. Enjoy a game of horseshoes while the kids enjoy the playground,

let them cool off in the ever-popular splash pad or drop them off for a game of ice hockey at our regulation size hockey rink! If you're looking for a walking trail, bring a friend and enjoy the 1 mile trail that circles the park and features 3 activity centers for additional fitness challenges. Nestle up with popcorn and a blanket for one of our many 'Movies in the Park at Legacy Park' in the Burke Amphitheater. Each movie features a children's activity and is a great summer activity to kick back and relax with the family! And don't miss out on the tennis courts, softball, football and soccer fields or the state of the art ice and roller blade rink.

Heritage Park is home to Manteno Youth Baseball and Softball League (MYBSL) and Manteno Youth Soccer Association (MYSA). The park houses five baseball fields and accommodates close to 1100 soccer players during its season. This facility is located directly south from the Manteno Elementary School. It boasts an expansive area to exercise, walk or relax and top of the line playground equipment for the kids to enjoy for hours! If you're looking for an outdoor venue to host your own event, contact the Village of Manteno for your rental needs.

Eddie Reed Park is nestled on the north side of residential Manteno. The park is home to two sand volleyball courts and full size basketball court, expansive playground equipment and merry-go-round. This park is a great place to host birthday parties or other family celebrations as well as company picnics or outings.

With so many options for everyone of all ages, it is sure to be a hit!

Continued on next page ►

Hendrickson Park features a skate park that challenges skaters of all skill levels and in the winter you're sure to see plenty of sledding throughout the area!

Main Street Plaza provides a warm welcome as guests enter Manteno's historic downtown. Sit and enjoy the beautiful landscape and our conveniently charming Main Street!

The Square on Second was a vision of the Village Board and completed in the Fall of 2017 for the purpose of a unique gathering space for our community. Adorned with catenary lighting, brick pavers, and access to dining and shopping, the Square on Second is a great place for all! Events such as Rockin' on the Square, An Evening on the Square, and Santa Comes to Main and more take place here. On warm summer nights, take a stroll to get some pizza or ice cream and enjoy the view! A bouncing pillow, zip line and fountain can keep you entertained for hours!
